Dear Mr. Long:

On 17 October 2019, the office of the Information and Privacy Coordinator received your 17 October 2019 correspondence requesting a status update on your 18 July 2019 request under the Freedom of Information Act (FOIA). You stated you did not receive an acknowledgement letter for that request; please note that our records do not show we received a request from you on or about 18 July 2019.

Therefore, we assigned your 17 October 2019 FOIA request the reference number above. Please refer to this number in all correspondence so that we may identify it easily. Specifically, you are requesting the following records: **memorandums, reports, and technical and administrative documentation arising from the Ad Hoc Study Group on Multiple-Recovery Vehicle Systems referenced in the CIA-RDP67B00558R000100070104-8 memorandum entitled "Multiple-Recovery Vehicle Systems" dated 18 September 1964.**

Our officers will review and process your request in more detail and will only communicate to you if they should encounter any problems or if they cannot begin the search without additional information or clarification. We will search for CIA-originated records up to and including the date the Agency starts its search.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Lilly".

Mark Lilly
